

UYUNI SALAR

DAY 1

Departure from Uyuni at about 10:30, to a small town where Bedsread community members exploit and refine of salt. We enter the Salt Lake, take a walk through the piles of salt and observe a demonstration of the extraction of salt blocks.

Visit to the sale of handicrafts, the eyes of salt and the Isla Incahuasi (known as Fish Island) Appreciating the huge cactus and a splendid panoramic view from the balcony.

Lunch Box Lunch which is a fish on the island and then take a hike and continue towards Chuvica, where he spends the night in a hotel that is located opposite the Salar de Cactus.

DAY 2

Output Within hours 07:30 a.m. after breakfast. Visit Altiplano canyons: Cañapa, Stinking and Ramadita. We continue through the desert to see the tree Siloli stone. Then continue visiting the Laguna Colorada (Reserva Nacional de Fauna Andina Eduardo Avaroa REA) where we will see the flamingos and Andean fauna gathered, very important, such as the vicuña, Andean rhea or ostrich and others. Here we spend the night in a basic community shelter.

DAY 3

Early departure mid-morning at 05:00 to appreciate the Geyser (volcanic vents) and visit the thermal baths.

Continuing, along the path are bizarre rock formations due to erosion and leads to Laguna Verde, which is very peculiar in the area for its color change that occurs between hours 11:00 a.m. to 12:00 noon.

Return to Uyuni on the road to Pampa Colorada, arriving around 13:30. End of service.
